

ALL ABOUT YOU...

Our FA Qualified coaches and mentors will work with our education provider and together they will ensure

you maximize your academic ability. You will get the right level of homework support, coaching and football based on your skills and ability.

The emphasis will be on your education as well as improving your football skills. We will narrow the gap between recreational and semi-professional football and increase your chance of playing or coaching at the highest level possible. The Academy will ensure you are engaged at the most appropriate level based on your competence. We will make the most of your football talent.

Your timetable will be structured to ensure your education runs parallel to you sport.
